THE ECO-FRIENDLY DISTRIBUTOR

Repair & Surplus Gage Sales

By offering our customer the ability to repair gages, and through our economically priced surplus gages, we have saved thousands from being tossed into scrap metal bins or landfills.

Energy Efficient Lighting

Out with the old and in with the new! In 2012 Gage Crib Worldwide, Inc. undertook an entire renovation of our lighting system and switched to daylight, energy efficient bulbs.

Climate and Air Control

In 2015, Gage Crib installed a new heating and cooling system that operates at 96% Efficiency and is WiFi Thermostat Controlled.

GAGE CRIB WORLDWIDE, INC. ALSO USES THE "CLEAN" SIDE OF ANY PAPER THAT HAS NOT BEEN FILED. BY DOING THIS, WE HAVE REDUCED OUR PAPER USAGE BY MORE 33%. THE PAPER THAT DOES GET DISCARDED, IS TAKEN TO A LOCAL RECYCLING CENTER. TONER CARTRIDGES AND DRUM UNITS ARE ALSO SENT FOR RECYCLING
